REPEATERS

ANNUAL MEETING

PLACE: ROOSEVELT JR. HIGH SCHOOL
318 E. BREWSTER ST.
APPLETON, WISCONSIN

DATE: MONDAY, JULY 20, 1992

TIME: IMMEDIATELY FOLLOWING THE FOX CITIES
AMATEUR RADIO CLUB (FCARC) MEETING
WHICH BEGINS AT 7:00 P.M.

(APPROXIMATELY 8:30 P.M. + OR -)

AGENDA: a. *Treasurer's Report*
b. *Engineering Report*
c. *Old Business*
d. *New Business*
e. *Election of Officers*

The Fox Cities Amateur Radio Club has graciously allowed the Fox Valley V.H.F. Association to use their regular meeting site. Please feel free to attend the FCARC meeting at 7:00 P.M. and share your enthusiasm for amateur radio by supporting both groups. The Fox Valley V.H.F. annual meeting will follow shortly after the FCARC meeting. Talk-in assistance will be provided on 145.33Mhz (-600Khz; PL 1B, 107.2Hz).

Your attendance is strongly encouraged. Come and discuss the operation of your local repeaters as well as plans for repairs and future enhancements. Tell your friends...talk it up on the air!

Annual dues for single or family membership are each \$10.00 and can be paid at the meeting or mailed to the address below. Make checks payable to Fox Valley V.H.F. Association. Enclosed is a list of currently paid Fox Valley V.H.F. Association members for 90-91 and 91-92. Hope to see you there!

Board of Directors:	<i>Jerry Clusen</i>	<i>N9AYN</i>
	<i>Rick Kosiorek</i>	<i>WX9C</i>
	<i>Wayne Pennings</i>	<i>WD9FLJ</i>
	<i>Bob Ronk</i>	<i>KB9IE</i>
	<i>Jim Sheetz</i>	<i>K9OQO</i>

Address: *Fox Valley V.H.F. Association*
318 E. Brewster St.
Appleton, WI. 54911

Repeater Operating Practices

- 1) Monitor the Repeater to become familiar with any peculiarities in its operation.
- 2) To initiate a contact simply indicate that you are on frequency. Various geographical areas have different practices on making yourself heard, but generally, "This is W1AW monitoring" will suffice.
- 3) Identify legally; you must identify at the end of a transmission or series of transmissions and at least once each ten minutes during the communication.
- 4) Pause between transmissions. This allows other Hams to use the repeater (someone may have an emergency). On most repeaters a pause is necessary to reset the timer.
- 5) Keep transmissions short and thoughtful. Your monologue may prevent someone with an emergency from using the repeater. If your monologue is long enough, you may time out the repeater. Your transmissions are being heard by many listeners including non-Hams with "public service band" monitors or scanners; don't give a bad impression of our service.
- 6) Use simplex whenever possible. If you can complete your QSO on a direct frequency, there is no need to tie up the repeater and prevent others from using it.
- 7) Use the minimum amount of power necessary to maintain communications. This FCC regulation [97.313(a)] minimizes the possibility of accessing distant repeaters on the same frequency.
- 8) Don't break into a contact unless you have something to add. Interrupting is no more polite on the air than it is in person.
- 9) Repeaters are intended primarily to facilitate mobile operation. During the commuter rush hours, base stations should relinquish the repeater to mobile stations; some repeater groups have rules that specifically address this practice.
- 10) Many repeaters are equipped with autopatch facilities which, when properly accessed, connect the repeater to the telephone system to provide a public service. The FCC forbids using an autopatch for anything that could be construed as business communications. Nor should an autopatch be used to avoid a toll call. Do not use an autopatch where regular telephone service is available. Autopatch privileges that are abused may be rescinded.
- 11) All repeaters are assembled and maintained at considerable expense and inconvenience. Usually an individual or group is responsible, and those who are regular users of a repeater should support the efforts of keeping the repeater on the air.

ODE TO AN ANTENNA

WHAT DO YOU HAVE TO SAY, LITTLE
WIRE, HANGING IN THE BACKYARD?
WHAT DO YOU HAVE TO SAY?
CAN YOU SPEAK TO ME?
OH! YES YOU CAN.
ALL I HAVE TO DO IS LISTEN A LITTLE
HARDER.
CAN YOU TELL ME OF THE WORLD?
OH! YES YOU CAN.
ALL THE TIME OF EVERY DAY.
YOU CAN TELL ME OF THE WORLD, OF
WARS AND DEATH AND LOVE AND LIFE,
YOU CAN TELL ME OF THE WORLD.

CAN YOU SING TO ME A SONG, LITTLE
WIRE?
CAN YOU SING TO ME A SONG?
OH! YES YOU CAN.
AT NIGHT, IF I LISTEN HARD ENOUGH,
YOU CAN SING TO ME A LULLABY AND
LULL ME OFF TO SLEEP, OR SHAKE THE
WALLS AND WAKE THE CHILD, IF I LET
YOU SING TOO LOUDLY.

CAN YOU SPEAK TO ME IN VIETNAMESE
OR QUECHUAN OR GREEK?
OH! YES YOU CAN, LITTLE WIRE, AND
ALWAYS HAVE AND ALWAYS WILL, NO
DOUBT.
I CAN LEARN FROM YOU THE
LANGUAGES OF THE WORLD, AND THE
STORIES OF THEIR PEOPLE.

CAN YOU SHOW TO ME A STORY, LITTLE
WIRE? CAN YOU SHOW TO ME A STORY?
OH! YES YOU CAN.
YOU CAN SHOW TO ME STORIES OF EVERY
KIND, OF SPORTS AND NEWS AND SEX
AND BEARS, AND MOST IN LIVING COLOR.

BUT CAN YOU TELL ME OF THE
UNIVERSE, LITTLE WIRE, HANGING IN
THE BACKYARD?
CAN YOU TELL ME OF THE UNIVERSE?
OH! YOU HAVE GIVEN ME PICTURES FROM
MARS AND JUPITER, AND EVEN
WHISPERED STORIES OF THE STARS.

OH! YES, LITTLE WIRE, YOU HAVE BEEN
AROUND A LONG TIME, AND EVEN
PLAYED A TRICK OR TWO.
YOU SCARED MY GRANDFATHER WITH
STORIES OF MARTIANS, AND TOLD MY
MOTHER OF THE JAPANESE INVASION.

WHAT WERE YOU DOING, LITTLE WIRE,
WHEN EUCLID WALKED THE EARTH SO
MANY YEARS AGO?

MY GRANDFATHER BEGAN TO LEARN
YOUR LANGUAGE, LITTLE WIRE, NOT SO
LONG AGO.
NOW I LEARN FROM YOU AND MAKE YOU

SPEAK FOR ME, SO THEY CAN HEAR ME
'ROUND THE WORLD, OR EVEN TO THE
STARS.

AND WHAT IS YOUR LANGUAGE, LITTLE
WIRE?
HOW CAN I SPEAK TO YOU?
YOURS IS THE LANGUAGE OF THE ROCKS
AND OF THE STARS.
YOURS IS THE LANGUAGE GOD MADE FOR
THE UNIVERSE.
YOURS IS THE LANGUAGE OF SCIENCE
AND MATHEMATICS.

RICHARD SEARS

AMATEUR HI

MY HUSBAND, AL, AND I HAD OUR
LICENSES FOR ONLY A FEW WEEKS, AND
IT SEEMED THAT EVERYTHING WE SAID,
DID OR THOUGHT PERTAINED
SPECIFICALLY TO OUR NEW HOBBY. ONE
EVENING AL ASKED ME TO PHONE OR
FRIEND, FLO, AND ASK HER TO DO US A
CERTAIN FAVOR, WHILE HE ENJOYED
SOME HF MAGIC.

DUTIFULLY I WALKED OFF, 3M HT IN
TOW, AND MADE THE CALL. FLO WASN'T
HOME, BUT I HAD A MOST ENJOYABLE
CONVERSATION WITH HER HOUSE GUEST,
ANNETTE, WHOM WE KNEW VERY WELL.
THERE WAS NO PROBLEM TAKING CARE
OF THE FAVOR.

WHEN I RETURNED TO THE SHACK,
AL ASKED IF I HAD SPOKEN WITH FLO.

"NO, ACTUALLY I TALKED WITH
ANNETTE."

"OH! THAT MUST HAVE FUN. NOW,
HOW ABOUT CALLING FLO?"

"NO NEED-I TALKED TO ANNETTE."

"YES, I UNDERSTAND, BUT WE NEED
FLO'S HELP. YOU WANT ME TO CALL?"

"NO! I TOLD YOU I TALKED TO
ANNETTE."

"YEA, YEAH, FINE BUSINESS AND
ALL THAT. BUT HOW DOES TALKING ON A
NET SOLVE OUR PROBLEM?"

"WELL I HAVE CONFIDENCE IN
ANNETTE. DON'T YOU?"

"NETS ARE NICE, BU I DO NEED TO
TALK TO FLO."

"ANNETTE IS FLO'S CLOSEST FRIEND,
AND SHE'S STAYING AT FLO'S HOUSE. I
THINK TALKING WITH ANNETTE IS THE
SAME AS TALKING TO FLO. WHAT'S THE
PROBLEM?" BY THIS TIME I WAS GETTING
PRETTY HOT UNDER THE COLLAR!

MY HUSBAND STARTED LAUGHING,
HUGGED ME AND SAID, "I THOUGHT YOU
SAID YOU TALKED TO A 'NET.'" "I DID
TALK TO ANNETTE..." IT WAS A LONG
TIME BEFORE I UNDERSTOOD "WHO WAS
ON FIRST!"

23. JIM DEAL	W9GIU
24. HELEN BORREE	WD9CYW

SOMEONE ELSE DO THE DRIVING.

2. PLAN ON BEING AT THE STATION FOR A 2 TO 4 HOUR STAY. THIS WILL MAKE IT EASIER FOR THE INCOMING OPS TO PLAN A STARTING TIME. WE ALSO WANT INCOMING OPS TO LOG FOR SOME TIME BEFORE OPERATING. THIS HELPS TO DEVELOP SOME CONTINUITY AND WILL ALSO HELP TO BACKTRACK IF THE NEED ARISES.

3. REMEMBER- WE WILL ALSO BE GIVING OUT CONVENTION INFORMATION TO OTHER CONVENTIONEERS! THIS WILL BE ACCOMPLISHED THROUGH A LARGE CONVENTION MAP WHICH WILL BE LOCATED IN OUR SHACK. WHILE I AM SURE THAT ALL OF THE INFO THAT IS REQUESTED WILL BE REASONABLE, WE MAY NOT ALWAYS BE ABLE TO ANSWER EACH QUERY, I THINK IT WILL BE A LOT OF FUN AND IS JUST ANOTHER GOOD WAY TO PROVIDE SOME SERVICE TO THE REST OF THE E.A.A.ERS.

4. DON'T FORGET THE PICNIC ON SUNDAY EVENING! THIS PICNIC IS FOR ALL THOSE WHO WILL HELP OUT WITH THE STATION. PLAN TO BRING A DISH TO PASS, YOUR OWN UTENSILS (EATING AND SERVING) AND THE CLUB WILL PROVIDE THE REFRESHMENTS AND THE MAIN COURSE.. TENTATIVE LOCATION FOR THE PICNIC IS BEHIND SHAPIRO SCHOOL STARTING AT 5:00 PM. THIS PICNIC WAS A REAL HIGHLIGHT LAST YEAR, EVEN IN THE RAIN... SO COME AND ENJOY THE FUN. (SPOUSES & FAMILY ARE EXPECTED)

5. E.A.A HAMSHACK LOCATION: BEHIND THE MUSEUM AT PIONEER AIRPORT. (THE SMALL WHITE BUILDING NEXT TO THE BEACON TOWER IS OURS)

6. FREQUENCY: 146.52 SIMPLEX - W9ZL HAMSHACK (CONVENTION INFO)

ATTENTION E.A.A. OPS.

ATTENTION: W9ZL E.A.A. SPECIAL EVENT OPS. THIS INFORMATION IS FOR THE PEOPLE WHO SIGNED UP TO OPERATE AT THIS YEARS FLY-IN STATION AND IS VERY IMPORTANT TO YOU!

1. FOR YOUR OWN GOOD, I ENCOURAGE ALL OPS TO PARK THEIR CARS AT SHAPIRO SCHOOL (CORNER OF 18TH & KNAPP STREETS) AND TAKE THE VOLUNTEER SHUTTLE BUS FROM THAT POINT TO THE E.A.A MUSEUM. DO NOT EVEN TRY TO BRING YOUR OWN CAR/TRUCK DOWN INTO THIS AREA BECAUSE YOU WON'T BE ABLE TO PARK IT ANYWHERE NEAR THE STATION. THIS AREA HAS RESTRICTED PARKING!!! SO SAVE YOURSELF THE BOTHER AND LET

ANYONE GIVE ME
DIRECTIONS TO THE
WORLD'S BIGGEST FLY-IN

THROUGHOUT THE

SWAPFEST.

There will be concessions
available at the swapfest.

SLOW ACCESS TO 220 MHZ
FORCES UPS TO SCRAMBLE

BECAUSE OF DELAYS IN GAINING
ACCESS TO FREQUENCIES IN THE 220-220
MHZ RANGE, UNITED PARCEL SERVICE
HAS TAKEN STEPS TO UTILIZE CELLULAR
TELEPHONES FOR SOME OF ITS PACKAGE-
TRACKING DATA SERVICES.

BUT THE COMPANY HAS NOT
ABANDONED PLANS FOR EVENTUALLY
USING 220-220 MHZ (WHICH WAS
REALLOCATED FROM THE AMATEUR
SERVICE LAST AUGUST), ACCORDING TO A
UPS OFFICIAL. UPS IS FRUSTRATED BY
THE FCC DELAYS AND SIMPLY CAN'T
WAIT ANY LONGER, THE OFFICIAL SAID.

UPS HAS CONTRACTED FOR THREE
YEARS OF CELLULAR SERVICE AND
PLANS TO REPLACE THE CELLULAR
EQUIPMENT IN THEIR VEHICLES WITH 220
MHZ EQUIPMENT LATER, SHOULD THEY
GET THE NECESSARY FCC LICENSE.

THE INTERIM SOLUTION WILL BE
EXPENSIVE- MONEY THAT THE UPS
COULD HAVE USED TO BUILD THEIR 230-
MHZ SYSTEM. AND THE CELLULAR
SYSTEM WILL NOT HAVE THE CAPACITY
TO TRACK ALL UPS'S SHIPMENTS, AND
WILL IN MOST CASES BE LIMITED TO
TRACKING OVERNIGHT DELIVERIES.

THE ARRL LETTER.

ARRL DXCC FIELD REPRESENTATIVES

THERE ARE FOUR DXCC ARRL FIELD
REPRESENTATIVES IN WISCONSIN, READY
TO CHECK QSL CARDS TO CONFIRM YOUR
FIRST 100 COUNTRIES. YOU'LL HAVE TO
GET IN TOUCH WITH THEM DIRECTLY TO
